Protective Services stepping up seat belt enforcement

The Marshall Center's Protective Services Department will conduct a seat belt awareness campaign Sept. 22-Oct. 6. NASA and Redstone Arsenal policy require the use of seat belts for drivers and front seat passengers in all vehicles while in motion on Arsenal property. Warning citations will be issued during the awareness campaign and traffic tickets will be issued after the campaign. For more information, see "Inside Marshall."

Children's fingerprinting booth to be at Family Fun Day

A children's fingerprinting booth will be featured at the annual Family Fun Day on Saturday. Sponsored by the Marshall Center's Protective Services Department, the booth will allow parents to have their children's fingerprints printed on a card to keep on file at home. Parents also can bring a photo of their child to attach to the card.
